## Race against Recidivism Helping inmates who get out, stay out!

As a chaplain we know that what you do is often a thankless job and that the support is rarely present when needed. Prison Book Project wants to partner with you to help you be more efficient and effective in your ministry. Our Chaplain Development program was created to help us more effectively serve you. In our regular email, we will have 3 categories for you to quickly take in. Expect regular encouragement from active chaplains sharing their experience in the ministry and learn about some of the great and different resources we can provide you as you serve and Touch lives behind bars.
